Property Description

PROPERTY DESCRIPTION

MIG Commercial Real Estate Services proudly introduces this exceptional industrial warehouse centrally located at 8426 - 8428 San Fernando Rd, Sun Valley, CA. Situated on approximately 30,000 square feet of prime industrial land, this freestanding property is zoned M2 for light manufacturing. The property comprises approximately 9,600 square feet each at 8426 and 8428 San Fernando Rd, offering a total of 19,200 square feet of clear span interior space with ceiling heights ranging from 14 to 23 feet, providing ample room for various operational needs. 8426 and 8428 San Fernando Rd can be leased together or separately.

The property is gated and secured, providing a safe and secure environment. The power supply includes 400 total amps 3 phase, with plans to upgrade the electrical service to 800 amps total (400 amps to each building). The 4,000 square foot paved side lot at 8426 San Fernando Rd, featuring a covered awning, adds additional flexibility and operational space.

Access is unbeatable with six ground-level loading doors, including four at 8426 San Fernando Rd, all measuring 14x12 feet. The property also benefits from a 20-foot wide alley and a 150-foot frontage, ensuring seamless logistics. The roof features massive skylights designed to maximize natural light. Additionally, there are a total of six fully remodeled bathrooms and four total offices throughout both buildings.

The ideal uses for this property, zoned M2 (light manufacturing), include warehousing, distribution, and manufacturing, encompassing welding, fabricating, machining, marble works, recycling and processing to name a few. An additional parking lot will be offered directly across the street; call for more information regarding pricing.

Located in Sun Valley, this property boasts strategic proximity to key highways, including the 5, and is situated between the 170 and 210 Freeways, offering unparalleled connectivity to nearby Hollywood Burbank airport, Avion development, and Downtown Los Angeles. Sun Valley is home to various services that are crucial for industrial operations, including equipment rental companies, environmental consultants, and maintenance services. Additionally, there are facilities for waste management, including landfills and recycling centers, which support efficient and responsible waste disposal.
